Rovinj, 10.07.2022.

Dear friends, donors and sponsors!

During this period, OAZA helped 49 of our and 15 Ukrainian children in 19 foster families. Each child received financial assistance of HRK 700 every three months, and families were given a donation of food, clothes and shoes. We also covered the costs of vehicle insurance for this families. When necessary, we also helped with advice in all situations related to children and their parents. In the spring, in addition to the foster children, our fosters accepted another 15 Ukrainian children with their mothers.

In May, we organized a spring concert of spiritual music on the square in Rovinj. At the end of May, a 5-day meeting of foster families with children (65 people in total) was held in the Flores Homes camp in Rovinj. Already on the first day, 12 families arrived at the camp, and the children jumped into the pool and occupied the camp's playground on the same day. There was no end to squeals, games and laughter. Every evening, foster parents gathered to share their experiences in foster care, their successes and failures, beautiful and difficult moments, and there were tears and laughter. The children met similar foster children, and quickly became close in play and entertainment. On those days, the children visited our beautiful city and its beaches with their foster parents. On Saturday, they went on a boat trip, and they enjoyed the view of our city, the surrounding islands and the seagulls that flew right next to the boat because of the food that the children threw to them. On Saturday afternoon, we surprised all the children by giving out bicycles, and the children enthusiastically took their new bicycles away with disbelief, asking if they could really take them home.

"These kinds of meetings are better for us than all education and conferences", said the foster parents, because we learn from each other from real life stories in foster care. The children have found new friends who share the same fate of being fostered, and at no point did they feel worthless. This meeting provided the foster parents with rest and relaxation, and enabled the children to have an unforgettable experience.

The total costs of this meeting, in addition to donations in material and services, were HRK 31,000.00, and in addition to OAZA some donors: Student Union of the University "Jurja Dobrila" in Pula, the City of Rovinj and the Evangelical Pentecostal Church in the Republic of Croatia participated covering the financial costs.

Besides, we received a donation of 54 bicycles (for each child) from the company KING ICT, a donation of food for all families from Discount VALALTA from Rovinj, and a donation of accommodation for 2 bungalows for 5 nights from the Flores Homes camp. OAZA continues its work in helping fosters and foster children, as well as others in need. Through various churches, we also try to encourage the development of foster care and helping children in need.

All your donations are a great help and encouragement to our work, and if you want to continue, you can send the help to the following account: OAZA, Children's Aid Center: HR 8023400091118004590.

On behalf of all our children and foster parents, I would like to thank everyone who has followed and supported this work so far. We wish you an abundance of God's blessings and all the best in your life.
