Rovinj, 05.07.2024.

Dear friends, donors and sponsors!

In the first letter there is a short report on the work of OAZA in the first semester of 2024, along with a table of donors and a financial overview (for those who do not have the will or time for more information). In the second letter, there are reports and pictures of foster families (for those who want to know more details).

In this period, OAZA helped 63 children in 26 foster families. For each of these children, we gave financial assistance in the amount of 110 € every 3 months. We occasionally procured donations of food, clothes and shoes for families, and we managed to secure funds to cover the costs of vehicle insurance. According to the needs, we helped our families with advice related to the placed children and their problems. The biggest help is the Viber group, which includes all our foster parents who share their experiences, questions and answers for specific situations with children in foster care.

In cooperation with the associatio „Stijena“, we organized 2 weeks of lectures in schools called "How to say no". It is an interactive lecture in which students have the opportunity to participate, comment and ask questions on an equal footing. The concept of addiction and drugs is briefly explained to the students, in a way that is harmonized and adapted to their age. During the lecture, illustrative examples are used, and students are encouraged to actively reflect on the decision-making process in growing up, peer pressure and the challenges of adolescence. Emphasis is placed on the fact that the problem is not only in addiction, but addiction is one of the symptoms of problems that they have to deal with on a daily basis (curiosity, boredom, peer pressure, personal problems, family problems, etc.).

At the end of May, a 4-day meeting of foster families was organized again. Foster families (15) were accommodated in apartments in Rovinj and together with all the children enjoyed the vacation and the sea. Every evening we met in the church premises and talked about problems and possible solutions. Foster parents shared their experiences, difficulties and challenges.

OAZA continues its work in helping foster parents and foster children, as well as others in need. Through various churches, OAZA also tries to encourage the development of foster care, and helping children in need.

All your donations are a great help and encouragement to our work, and if you want to continue helping, you can send your help to the account: OAZA, Childrens Aid Center: **HR 8023400091118004590**, SWIFT CODE / BIC: PBZGHR2X

**On behalf of all our children and foster parents, I would like to thank everyone who has followed and supported this work so far. We wish you an abundance of God's blessings and we warmly greet you.**
