Rovinj, 01.07.2025.

Dear friends, donors and sponsors!

This letter contains a brief report on OAZA's activities during the first half of 2025, along with a donor list and a financial overview (for those who don't have time for more details). In a second document, you will find detailed reports and photos from foster families (for those who would like more in-depth information).

During this period, OAZA supported 62 children across 24 foster families. This year, we have not yet been able to provide financial assistance, nor have we managed to secure funds for vehicle insurance, as all our resources have been used for renovating and furnishing two houses in Opatalj. These properties were granted to us by the foster care association "Nadomak sunca" from Opatalj, which has ceased operations. We have recently started collecting materials and financial support for the renovation of these houses.

On the white building, we are currently replacing the roof and attic and will soon move on to interior work. The orange building is almost completely finished, and we are expecting a foster family—with one biological and six foster children to move in soon. In addition to some final furnishings, we need two air conditioning units for the upper floor and attic, where the children's rooms will be located. The AC will be used for cooling in the summer and heating in the winter, until we raise enough funds to install central heating.

For our other foster families, we have occasionally provided donations of clothing, footwear, and supplies. We've also offered ongoing counseling support based on the needs of each family and their foster children. Our Viber group, which includes all foster parents, has been a great help, allowing them to share experiences, questions, and advice related to specific situations in foster care.

In cooperation with the Union of Baptist Churches, we have arranged a camp for foster families to be held at their facilities in Camp Činta on the island of Ugljan in early September this year. Alongside current foster families, we plan to invite potential new foster parents, who will be able to experience foster care and its challenges firsthand. We will organize workshops for both children and adults, as well as themed lectures and discussions on foster care issues. Of course, there will also be time for swimming, fellowship, and rest. OAZA supports foster families and children, as well as others in need, and works through various churches to promote the development of quality foster care.

All your donations are of great help and encouragement to our work. If you wish to continue supporting us, contributions can be sent to the following account:

OAZA, Center for Assistance to Children, IBAN: HR8023400091118004590, SWIFT/BIC: PBZGHR2X

On behalf of all our children and foster families, we sincerely thank all of you who have supported this work so far. We wish you an abundance of God's blessings and warmly greet you.
